ORCID Synchronization settings

Here, you can specify how publications from ZORA should be synchronized with your ORCID record. Currently, the only option available is manual push to ORCID. You can also indicate in your profile preferences which biographical data and personal identifiers should be sent to your ORCID record.

ORCID Synchronization settings

Synchronization mode

Please select how you would like synchronization to ORCID to occur. The options include "Manual" (you must send your data to ORCID manually), or "Batch" (the system will send your data to ORCID via a scheduled script).
